草書

It has been said there is a time and place for every thing, and at C. H. S. there was a time and a place for things such as the events in these pictures on this page. In this annual we hope we capture the events best remembered by you and your friends, and we hope you will always cherish these great moments by looking back at this yearbook. PRESENTING THE:

Mr. and Miss C. H. S.

Kelly Richey

Joey Armstrong

From captain of the volleyball team to editor of the yearbook, Kelly is a leader at CHS. She led the way for girls in Ag and FFA by being one of the first girls to enroll in Ag classes and by receiving the Star Green Hand Award in her freshman year. Kelly was elected cheerleader her sophomore and junior years and was voted Most Attractive her junior and senior years. Through hard work Kelly has earned the respect of the students and faculty at CHS and this same trait should bring her much success in the future.

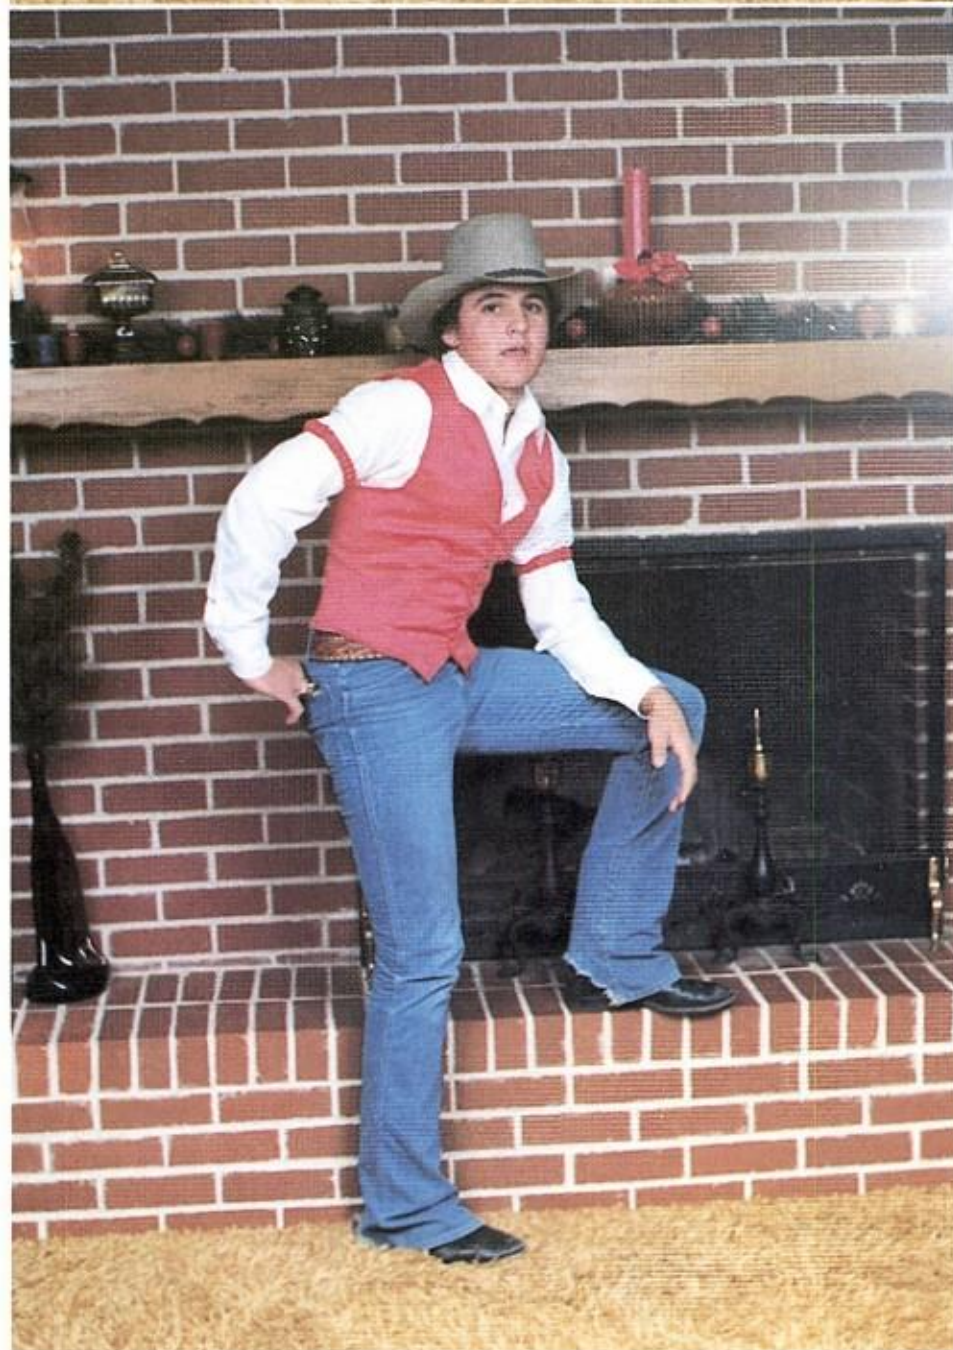

Joey's motto is "Be Involved". Although he is an honor student, he still finds time to participate in all phases of CHS life. Being active in the Beta Club, Joey represented CHS by running for state Beta president. He was voted Best All Around his junior year and was FFA president his senior year. If being voted Most Likely to Succeed for four consecutive years is an indication of Joey's potential, then CHS will continue to expect worthwhile contributions from Joey.

Best All Around

Sharon Wiley

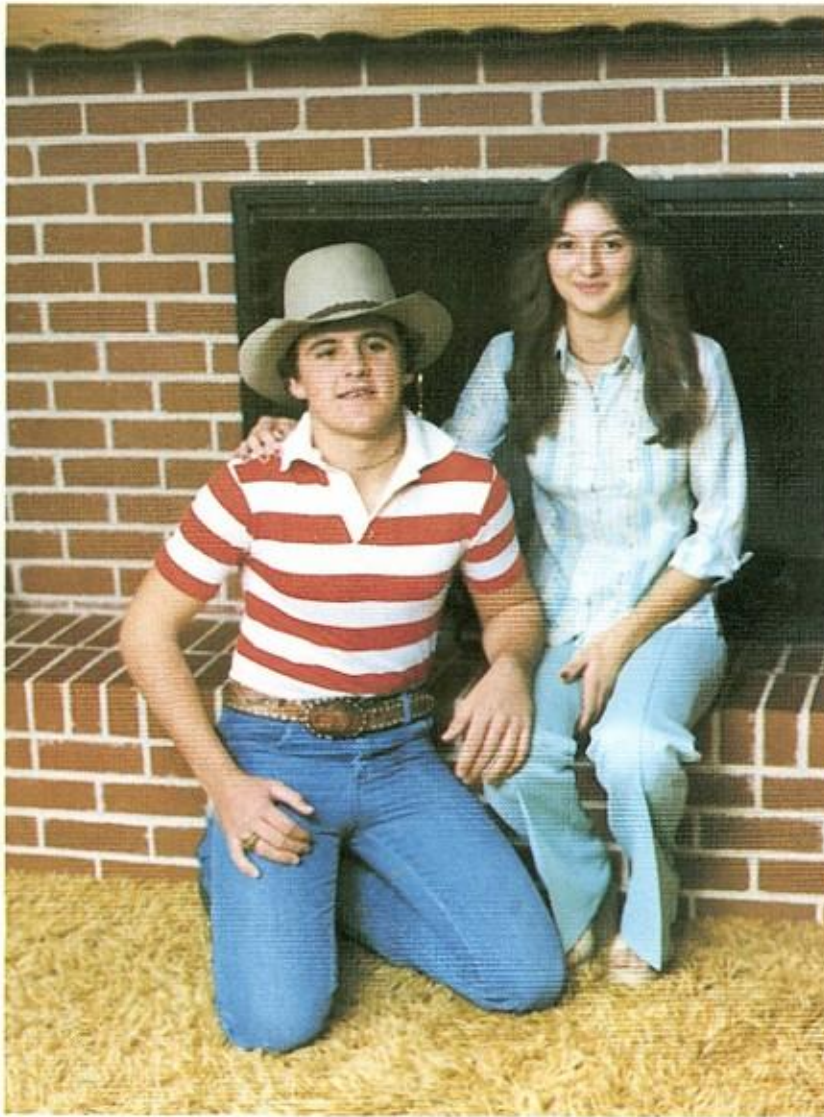

Ernie Cox

Sharon stays involved in all school activities. Being interested in music, Sharon has participated in many aspects of band. She was a majorette her freshman and sophomore years and selected for Who's Who in Band her senior year. An interest in Business Education led Sharon to participate in U. I. L. Typing and to receive the Business Award her junior year. Being Head Cheerleader during her senior year, Sharon was voted Most Spirited by the senior class.

While Ernie has never been a student who searched the books in the quest for knowledge, his winning personality makes him likeable and popular with all students at CHS. As a practical joker who enjoys "Happy Days", you will usually find Ernie having fun. Ernie usually sprinkles his fun with work. He has been very active in FFA by serving on numerous judging teams and has served on the 1977-78 annual staff.

ORGANIZATIONS

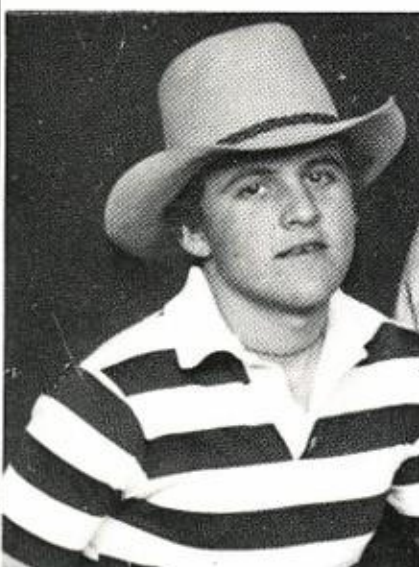

Chico Dragon Staff

Through pictures and print the Chico Dragon tells the story of one year — sport events, classes, awards and fun. But more than just telling the story of events, the Dragon tells the story of life at Chico High School.

After nine months of scheduling, taking pictures and writing, the Chico Annual Staff members hope each of you enjoy the CHICO DRAGON.

F.H.A. Members

This was a very good year for the F.H.A. primarily because the club members were able to participate in various projects. In this way, we learned about teamwork and cooperation with others, while at the same time, we were able to raise funds for our club and to help others. Serving meals to the School Board and Lions' Club, our Fashion Show, the Chico Project Show and the Wise County Youth Fair, and our Mother-Daughter Banquet were some of the projects for 1977-78.

The F.F.A. is a national organization. It is an organization to develop leadership and character. The areas of study include leadership, animal science, plant science and agriculture mechanics. Through these areas of study the student gains a wide knowledge of agriculture and agribusiness.

Throughout the 1977-78 year the Chico FFA Chapter has participated in many projects, such as: State FFA Convention; Leadership Contest; Livestock Exhibition at Dallas, Ft. Worth; and Houston; Judging Contest at Dallas, Ft. Worth and Houston; Chico Youth Project Show; Wise Co. Youth Fair; Parent-Student Cook-Out.

Volleyball

The girl's volleyball team had a very good year. First, they found themselves winning the title of District Champs, then the Bi-District game was held at Chico where the girls beat Brook 15-1; 15-0. The girls then journeyed to Stephenville to Tarleton State University where the Regional Tournament was held. The first game

was with Moran, the girls won 15-9; 15-9. The team then had made it to the Semi-Finals where they were defeated by last years State Champs, Bronte, by a score of 0-15; 10-15.

UIL One Act Play

THE LITTLE MATCH GIRL was this year's entry for UIL One Act Play Contest. A cast and crew of 16 students, under the direction of Miss Joyce Sevits, produced and performed their play at the west Zone District 13AA Contest in Weatherford.

Students cited with All Cast Honorable Mention honors at Zone Contest were Jeannette Collier, who had the lead role as Maggie; Kelli Monett, as the grandmother; and LeAnn White, as the guardian angel. The cast also included John Mowery, Brent Monett, Tema Miller, Kay Miller, Susan Anderson, Calvin Riddles, Angie Weatherly, Todd Buckner, Neil Sigsbee, David Morales, and Janice Johnson. Serving as technical crew were James Pollard and Riley Kyle.

Galveston Or Bust

Why did the seniors and their illustrious sponsors sell cokes and hamburgers at the football games, sponsor a volleyball tournament, and have a Spring Fling? They were determined to get to Galveston, Texas, for three days on their Senior Trip.

What did they do when they got there? They rode the water slides at Stewart Beach, they went bay and jetty-fishing (but they didn't catch anything they could eat), they swam, they had a hot-dog roast, they sunbathed, they bought lots of T-shirts and souvenirs, and everywhere they went they had a good time.

Stan, my Man, drives the chartered bus.

Packing it up!

Bye, y'all ...

We're back home again!

Congratulations, Looks Like You Made It!

Doug Blanks is dressed and ready.

Jana Buckingham makes her valedictory speech.

Annette Price steps up to receive her diploma from Mr. Vincent and the President of the School Board.

Our First Foreign Exchange Student Receives Diploma

Graduation is a time for families to be together. Irina Robrahn, our first foreign exchange student, received her diploma with the other 34 seniors graduating on May 26, 1982, as her mother, who flew in from Germany, looked on.

Peggy Hood, Pam McKeever, and Kevin and Kurt Kronenberger, juniors, were given the high honor of being selected by the senior class to be ushers.

This year the senior girls wore gold robes and the boys wore black. For the second consecutive year each senior presented his mother with a red rose at the conclusion of the ceremony.

Kurt assists Irina as she ascends the stage.

Mr. Crabbs gives award to Irina and her mother.

Junior High Graduation

Are you a little nervous today?

D'Layna and Dona walk over to the ceremony.

Junior and Carl are finished!

Shawnee Hargrave gives her speech.

SAVING TIPS

on electric air conditioning

Air conditioning provides lots of comfort during the summer months, but for many thousands of homeowners it is also the biggest factor in the cost of electricity. On the average, air conditioning accounts for about half of summertime electric bills.

Here are ways you can hold down the cost of air conditioning and still enjoy its comfort.

Central Systems

1. Set thermostat on 78°, or higher, during the summer. Turn unit off if you'll be away from home several days.
2. Keep equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
3. Check filter every 30 days. Dirty filters cause equipment to use excessive electricity. If filter is permanent, clean by manufacturer's directions; if it's disposable, it should be replaced when dirty.
4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
5. Close draperies and blinds to keep out direct sunlight.
6. Keep fireplace damper closed.
7. Proper home insulation keeps the heat out, cuts energy use. Insulation questions? Call TP&L.
8. Shade on roof and walls can reduce energy needed to cool. But trim trees, shrubs away from outside compressor unit. Keep it free of leaves, debris. If air flow is blocked, unit uses more energy.

9. Weatherstrip doors and windows; caulk cracks to prevent drafts and cool air loss.
10. Keep windows closed. Open outside doors as little as possible.

Window Units

Follow above suggestions, plus these:

11. Buy units with *highest* "energy efficiency ratio" (EER). Uses less electricity to cool. If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity. Both figures are on unit.
12. Place unit where it'll get as little direct sun as possible.
13. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.
14. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.
